the colour of life

community atmosphere

Introducing Songbird Gympie – a boutique collection of only 64 elevated residential home sites, surrounded by established communities and pristine scenery.

Imagine building your dream home surrounded by a natural green landscape, yet still within easy access to all your lifestyle amenities and transport links. This spectacular new land release (with home sites ranging from 500m² - 793m²) is nestled just 5 minutes north east of the Gympie CBD, and only 4 minutes from the new Bruce Highway upgrade.

Songbird is an ideal address for residents seeking a peaceful, family-friendly, community atmosphere that provides plenty of space and the freedom of choice. Only a stones throw away from the town centre with schools, shops, train station and easy access to the new Woondum to Curra Highway (scheduled for completion by end-2024), Songbird is perfectly positioned in a semi-rural community providing residents with everyday convenience and essential lifestyle needs.

— heritage charm —

Home to a diverse and broad demographic, Gympie continues to grow with confidence and is only an hour drive to Noosa and Rainbow Beach – perfect for growing families who enjoy spacious green living and easy day trips to the beach.

The heritage township connects the pioneering spirit with charming turn-of-the-century buildings, museums, art galleries and parks - reminding locals of the rich history the region is renowned for. Gympie is fast becoming a vibrant, popular sustainable community that cleverly integrates affordable living with active open spaces and is within easy reach of a number of schools, shops, parks and leisure activities.

This unique estate provides owners with a low maintenance, secure and convenient lifestyle which has been perfectly planned to suit individual needs without compromise on space or style.

'Songbird' provides the opportunity to build your very own dream home, or the option to explore a house & land package designed around your lifestyle.

— tranquil & connected —

This is a rare opportunity to secure a large, easy-to-build homesite in a sought-after semi-rural community so close to town and connected to all you need.
